SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1	Product identifier		
	Trade name	:	MOBIHEL 2:1 CLEARCOAT ANTI SCRATCH
	Product code	:	47155204
1.2	Relevant identified uses of th	ne s	ubstance or mixture and uses advised against
	Use of the Sub- stance/Mixture	:	Coatings and paints, thinners, paint removers
	Recommended restrictions on use	:	Reserved for industrial and professional use.
1.3	Details of the supplier of the	e sa	fety data sheet
	Company	:	Helios TBLUS d.o.o. Količevo 65 1230 Domžale Slovenia
	Telephone Company	:	386 (1) 722 4383
	Telefax Company	:	386 (1) 722 4310
	Responsible/issuing person	:	386 (1) 722 4383 productsafety@helios.si

1.4 Emergency telephone number

Emergency telephone number: 911

SECTION 2: Hazards identification

2.1 Classification of the substance or mixture

Classification (REGULATION (EC) No 1272/2008)

H226: Flammable liquid and vapour.
H315: Causes skin irritation.
H319: Causes serious eye irritation.
H335: May cause respiratory irritation.
H373: May cause damage to organs through pro- longed or repeated exposure.

ersion .0	Revision Date: 01.12.2023		Number: 000471552 N	Date of last issue: - Date of first issue: 01.12.2023
Long-term (chronic) aquatic hazard, Cat- egory 3			ard, Cat-	H412: Harmful to aquatic life with long lasting effects.
.2 Label	elements			
	Iling (REGULATIOI rd pictograms	N (EC) :	No 1272/20

	rdous components v			

Additional Labelling

EUH208 Contains mixture of benzotriazole, mixture of sterically composed sebacates. May produce an allergic reaction.

2.3 Other hazards

This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

SECTION 3: Composition/information on ingredients

3.2 Mixtures

Components

SECTION 4: First aid measures

4.1 Description of first aid measures

General advice	:	Move out of dangerous area. Show this safety data sheet to the doctor in attendance. Do not leave the victim unattended.
If inhaled	:	If unconscious, place in recovery position and seek medical advice. If symptoms persist, call a physician.
In case of skin contact	:	If skin irritation persists, call a physician. If on skin, rinse well with water.

Version 1.0	Revision Date: 01.12.2023	SDS Nur MAT000 JO/EN		Date of last issue: - Date of first issue: 01.12.2023	
		lf	on clothes, remo	ve clothes.	
In case of eye contact		Ri Pi Ke	Immediately flush eye(s) with plenty of water. Remove contact lenses. Protect unharmed eye. Keep eye wide open while rinsing. If eye irritation persists, consult a specialist.		
lf sv	wallowed	De Ne If	Keep respiratory tract clear. Do not give milk or alcoholic beverages. Never give anything by mouth to an unconscious person. If symptoms persist, call a physician. Take victim immediately to hospital.		
4.2 Mos	t important symptoms	and effe	cts, both acute	and delayed

	ods for cleaning up	: Contain spillage sorbent materia miculite) and pla	e, and then collect with non-combustible ab- I, (e.g. sand, earth, diatomaceous earth, ver- ace in container for disposal according to local ations (see section 13).

SECTION 7: Handling and storage

7.1 Precautions for safe handling

Advice on safe handling	:	 Avoid formation of aerosol. Do not breathe vapours/dust. Avoid exposure - obtain special instructions before use. Avoid contact with skin and eyes. For personal protection see section 8. Smoking, eating and drinking should be prohibited in the application area. Take precautionary measures against static discharges. Provide sufficient air exchange and/or exhaust in work rooms. Open drum carefully as content may be under pressure. Dispose of rinse water in accordance with local and national regulations. Persons susceptible to skin sensitisation problems or asthma, allergies, chronic or recurrent respiratory disease should not be employed in any process in which this mixture is being used.
Advice on protection against		Do not spray on a naked flame or any incandescent material

Advice on protection against : Do not spray on a naked flame or any incandescent material.

Version 1.0	Revision Date: 01.12.2023		Number: 000471552 N	Date of last issue: - Date of first issue: 01.12.2023
fire and explosion		Take necessary action to avoid static electricity discharge (which might cause ignition of organic vapours). Keep away from open flames, hot surfaces and sources of ignition.		
Hygie	ne measures	:		eat or drink. When using do not smoke. breaks and at the end of workday.
7.2 Condit	ions for safe stora	ge, inc	luding any incompat	ibilities
Requirements for storage : areas and containers		No smoking. Keep container tightly closed in a dry and well- ventilated place. Containers which are opened must be care- fully resealed and kept upright to prevent leakage. Observe label precautions. Electrical installations / working materials must comply with the technological safety standards.		
	er information on sto ability	r- :	No decomposition if	stored and applied as directed.
7.3 Specific end use(s)				
Specific use(s) :		For further information sheet.	on, refer to the product technical data

12.4 Mobility in soil

Components:

reaction mixture of ethylbenzene, m-xylene and p-xylene:				
Distribution among environ- mental compartments	:	Koc: 537, log Koc: 2.73 Remarks: Moderately mobile in soils The product evaporates from soil.		
Stability in soil	:	Dissipation time: 23 d Percentage dissipation: 50 % (DT50)		

12.5 Results of PBT and vPvB assessment

Assessment	:	This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

12.6 Other adverse effects

Product:	
Endocrine disrupting poten- : tial	The substance/mixture does not contain components consid- ered to have endocrine disrupting properties according to REACH Article 57(f) or Commission Delegated regulation (EU) 2017/2100 or Commission Regulation (EU) 2018/605 at levels of 0.1% or higher.
Additional ecological infor- : mation	An environmental hazard cannot be excluded in the event of unprofessional handling or disposal. Harmful to aquatic life with long lasting effects.

SECTION 13: Disposal considerations

13.1 Waste treatment methods	
Product	 The product should not be allowed to enter drains, water courses or the soil. Do not contaminate ponds, waterways or ditches with chemical or used container. Send to a licensed waste management company.
Contaminated packaging	 Empty remaining contents. Dispose of as unused product. Do not re-use empty containers. Do not burn, or use a cutting torch on, the empty drum.

	The transport classification(s) provided herein are for informational purposes only, and solely				

The transport classification(s) provided herein are for informational purposes only, and solely based upon the properties of the unpackaged material as it is described within this Safety Data Sheet. Transportation classifications may vary by mode of transportation, package sizes, and variations in regional or country regulations.

14.7 Transport in bulk according to Annex II of Marpol and the IBC Code

Not applicable for product as supplied.

SECTION 15: Regulatory information

15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

Volatile organic compounds : Volatile organic compounds (VOC) content: 580 g/l

15.2 Chemical safety assessment

A Chemical Safety Assessment is not required for this substance.

SECTION 16: Other information
